Sir,

In submitting herewith, the records relating to the claim to Excise Revenue preferred by the Jodidar, Ajjaman Shama char of Mallenhalli in the Nagaragere Hobli, Goribidnur taluk, I have the honor to state that it will be seen from the "abstract of order &c" on pages 5, 6 and 7 of the Inam Settlement Register that the village ajjaman's title to and enjoyment of the Toddy Excise Revenue of the village has been established; that in the revised valuation of the village made at the Inam Settlement, the only items which were excluded, are arrack as being a "reserved bab" and "plough tax" as giving place to the local fund cess", and that

1/8

1/8 quit rent was imposed on such revised assessment, making the combined quit rent Rs 106, as per investigating Inam Assistants opinion and recommendation. The Personal Assistant to the Inam Commissioner however, in his Review on pages 10 and 11 of the Settlement Register recommended the quit rent to be reduced to Rs 103 by deducting Rs 3 on account of Sayer, the resumption whereof he recommended. It is also evident from the further remarks of the Personal Assistant that Toddy Revenue has been conceded to the Ryajmans of the village, but that they cannot distil toddy and thereby manufacture "Spirituous liquor" and sell it; and that they cannot themselves issue licenses for selling it, such privilege being exclusively reserved to Government. It will also be seen that the Inam Commissioner confirmed the village our combined quit rent of Rs 103, as recommended by Special (Personal) Assistant, and also approved of his other suggestions. Thus it is clear that the combined quit rent of Rs 103, has been imposed on the revised valuation of the village made at the Inam Settlement as per particulars below, vide pages 1 and 8 of

of the Settlement Register:—

	Rs	A.	P	
Land Revenue	392	9	7	
Other items Kulbani	3	6	5	
Amroy	1	6	0	
Sayer	3	3	8	
Toddy	33	9	1	
Mohatarfa	5	10	5	47—3—7
	439	13	2	

In round number adopted — 440—0—0

Deduct Jodi — 58—2—11

1/8 quit rent — 8)381—13—1

47—11—8

Add present Jodi — 58—2—11

105—14—7

or Rs — 106—0—0 in round numbers

Deduct on account of Sayer reserved to Government — 3—0—0

Combined quit rent as finally settled — 103—0—0

It will be seen from the above details that toddy revenue is included in the revised valuation of the village, on which the combined quit rent of Rs 103 as finally settled, is based.

In the records submitted, documents marked A + B in Ferist Nos 23 + 24 are the Taluk Nagadi Jamakarch Goshwara accounts, supporting an inference that the Dukan rent also was

was enjoyed by the Inamdar. Wide
places marked a, b, c, d, e & f. Subsequent
leases by the Inamdar to Government
Contractors from year to year are proved
by documents marked Ferist Nos 12,
13, 16, 17, 26, 27, 28, 29, & 30. Further Chief
Commissioner's Proceedings cited in
Exhibit Ferist No 18, appears to have
enacted with special reference to this
village. But this has not been traced.
As regards the revenue corresponding
to Free-rent merely, there appears
to be no room for any doubt. The
Deputy Commissioner, however, ordered
that "till the Government dispose of
the question, we cannot recognise their
right to lease date trees to the Toddy
Farmers, but must assign such trees
as are fit for tapping to the Farmer
paying the authorized fees, and
crediting the same to Government
pending final orders of Government
on the Inamdar's claims." I beg
to submit that the Inamdar is at
liberty to lease the date trees to any
Government Farmer he chooses.
3. Under such circumstances,
I am of opinion that the Toddy
revenue of the village may
be advanced to the claimant

munus

0, minus 5 % on account of the
cost of Excise establishment.

I have the honor to be,
Sir,
